

Soup Kettle 9 Litre

A sturdy insulated kettle for storing and serving hot soup.

If you need to serve hot soup on demand, this safe, sturdy and stylish soup kettle has everything you need at exceptional value.

Benefits

Built to last – Aluminium construction with stainless steel heating element and water tank

Stable – a robust pressed powder coated body on non-slip feet for maximum stability

Safe – a hinged lid to minimise spills

Wet style operation – simply fill the internal cavity with water and the soup kettle heats the water to heat the soup efficiently and evenly

Temperature controlled – you dial the heat you require and the thermostat maintains your soup at an ideal serving temperature
